District of Columbia Individual Income Tax Forms

This package contains the following: Form D-40 — Schedules A, B and H

IMPORTANT MESSAGE TO TAXPAYERS

This booklet contains your 1982 District of Columbia Individual Income Tax forms and instructions. Since there are many changes in our forms this year, please read the instructions carefully before completing your return.

The District of Columbia Individual, Estates and Trusts Federal Conformity Tax Act of 1982 (D. C. Law 4-118) became law on June 11, 1982, and is effective for years beginning January 1, 1982. A list of the major changes resulting from this legislation is presented on page 1 of the instructions.

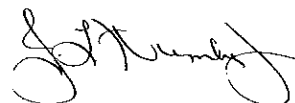

The majority of the information needed to complete your District tax return must be taken from your Federal return, therefore, **YOU SHOULD COMPLETE YOUR FEDERAL RETURN FIRST.** If you are not required to file a Federal return, please follow the instructions listed in this booklet.

Although many of you checked the block at the bottom of your 1981 Form D-40 indicating that you would not need a return mailed to you this year, we elected to mail you this booklet to inform you of the changes resulting from conformity.

Taxpayers who are due a refund, and file **ERROR-FREE** returns on or before January 31, will have their refunds mailed to them within two weeks. **ERROR-FREE** returns filed after January 31 will be refunded within four to six weeks. Please allow sufficient time for your refund to be mailed before calling our office to inquire about the return's status.

We suggest that you complete your return as soon as possible, so that you can determine whether you will require assistance from the Department of Finance and Revenue. If, after reading these instructions, you have a question which you cannot answer, **PLEASE CALL 727-6103 FOR ASSISTANCE.** In addition, you may **RECEIVE HELP IN PERSON** from January 3rd through April 15th at the District Building, 1350 E Street, N. W., Room 16, between the hours of 9:00 A.M. and 4:00 P.M. From February 1st through April 15th, you may also receive help at the Municipal Center, 300 Indiana Avenue, N.W., Traffic School Room, between the hours of 2:00 P.M. and 7:00 P.M. For additional locations and times, phone 727-6103.

If you need **TAX FORMS** mailed to you phone 727-6170.

DISTRICT INCOME TAX HIGHLIGHTS

The District of Columbia Individual, Estates and Trusts Conformity Tax Act of 1982 (D.C. Law 4-118) became law on June 11, 1982 and is effective for years beginning after December 31, 1981. This law increased conformity between the District and the Federal Individual Income Tax. Because of the many changes, read carefully the instructions contained within this booklet before preparing your District return. You should complete your Federal return before preparing your District return.

Major Changes in Conformity:

- Contributions to individual retirement accounts such as Keogh, IRA and similar plans are now allowable as an adjustment to gross income.
- The three percent (3%) cost recovery rule for reporting pensions and annuities is no longer applicable.
- The credit available for qualified campaign contributions has been increased.
- A certain amount of interest received from All Savers Certificates may be excluded from gross income.
- A limited charitable contribution deduction is available for taxpayers who do not itemize their deductions.
- The previous Standard Deduction has been replaced by a Zero Bracket Amount for those taxpayers who do not itemize their deductions.
- A new Tax Table is available to all persons with taxable income under \$50,000 and is included in this booklet.
- Taxpayers may now elect to round off cents to the nearest whole dollar.

Current Major Differences Between Federal and District Tax Laws:

- The District personal exemption remains at \$750.
- Income averaging is not permitted on the District return.
- The Federal Marital Deduction is not allowed, since the District tax rates do not result in a marriage penalty.
- Rental income from real or personal property in the District is subject to the District Unincorporated Business Franchise Tax if the gross income exceeds \$12,000 during the year. This is true whether or not services in connection with the rental(s) are performed. See the instructions for Form D-30,

District Unincorporated Business Franchise Tax Return for further information.

- For years beginning after December 31, 1981, a Sub-Chapter S Corporation is required to file an Unincorporated Business Franchise Tax Return if its gross income is \$12,000 or more. If the corporation's gross income is less than \$12,000, a D-65 Partnership Return must be filed.

GENERAL INSTRUCTIONS

Please use the mailing label on the forms sent to you. If you did not receive forms with a label, print or type your name, address and social security number in the space provided. If you do not require that a booklet be mailed to you next year, please check the box provided on the front page of Form D-40 and you will receive only a label to be attached to your 1983 return. Requesting that forms not be mailed reduces government costs.

Married taxpayers who file separately on one form should use Column A for the husband and Column B for the wife. Taxpayers who are single, head of household, married filing jointly or married and spouse is filing on a separate form must use Column B.

Married taxpayers who file jointly or separately on one form, must show the Social Security numbers in the same order that they show their first names on the return. If you are married and filing on a separate form, enter your spouse's name and social security number in the space provided next to Filing Status D.

District law requires that your Social Security number be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will be used only for tax administration purposes.

The instructions in this booklet generally assume that you are filing a Federal tax return and instruct you to enter certain items or amounts from your Federal return on your District return. If you are not required to file a Federal return, you should enter items or amounts as if you were required to file a Federal return.

Who Must File a Tax Return

File a Form D-40 if your income exceeds the following amounts:

- \$2,500 for married persons filing jointly; or
 - \$1,750 for single persons; or
 - \$750 for married persons filing separately;
- and (1) You maintained a permanent home (domicile) in the District at any time during the taxable year; or (2) You maintained a place of

abode (lived) in the District for an aggregate of 183 days or more during the taxable year. If the requirements of (1) or (2) are met for less than the full year, you must file a Part-year return.

Note: If you do not meet the income requirements, but you are a resident of the District, you should file Form D-40 to request a refund of tax withheld.

Who is Not Required to File a Return

Do not file a return if you were:

- A nonresident of the District.
- Single and received less than \$1,750 gross income during the taxable year.
- Married and filing jointly, and you received less than \$2,500 gross income during the taxable year.
- Married and filing separately, and you received less than \$750 in gross income during the taxable year.
- An elective officer of the U.S. Government, unless domiciled in the District.
- An employee on the personal staff of an elected officer in the legislative branch of the U.S. Government and both you and the elected officer are bona fide residents of the same State.
- An officer of the executive branch of the U.S. Government appointed by the President of the United States, subject to confirmation by the Senate of the United States, and whose tenure of office is at the pleasure of the President, unless you were domiciled within the District at any time during the taxable year.
- A Justice of the Supreme Court of the United States not domiciled within the District at any time during the taxable year.

Note: If you are a nonresident who is not required to file a District return and District tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B may also be used to request a ruling with respect to liability for District income tax. To request a Form D-40B, see page 3 of instructions, on How to Obtain Forms. If you are not required to file a tax return, but you are entitled to a property tax credit, file Schedule H (Form D-40) by itself.

How to File a Part-Year Return

If you were a District resident for less than a full calendar or fiscal year, follow instructions 1 through 4 below. If you and/or your spouse lived in the District for less than a full year and for different periods of time, you must file separate Forms D-40.

- (1) Complete Part I of Form D-40, page 2 by

copying the corresponding line by line amounts from your Federal return. Gross income received while a nonresident of the District is subtracted by reporting such income on line 50, Part II of Form D-40, page 2.

(2) Prorate your personal exemptions and credit for dependents according to the number of months you were a resident of the District. (For the purpose of prorating exemptions and dependents, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month).

(3) You may itemize your deductions or claim a Zero Bracket Amount prorated according to the number of months you were a resident of the District. (For the purpose of prorating the Zero Bracket Amount, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month). If you itemize deductions, copy your deductions from your Federal Schedule A or District Schedule A (if you are not itemizing deductions on your Federal return) on lines 56 through 60, Part III of Form D-40, page 2. Subtract the deductions paid during the period of nonresidence in the District on line 63, Part III of Form D-40, page 2.

(4) Do not claim the property tax credit. This credit is allowed only if the claimant lived in the District for the full twelve months of the year.

When and Where to File

File your return as soon as possible after January 1, but not later than April 15, 1983. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time for Filing

Copies of Federal extension of time requests are no longer accepted.

If you require more time to file your return, an extension of time may be requested by filing Form FR-127 on or before April 15, 1983. A copy of the Form FR-127 must be attached to your District return when it is filed. Any balance of tax due, as shown on Form FR-127, must be remitted with the request. To request a Form FR-127, see page 3 of instructions on How to Obtain Forms.

Payment of Balance Due

Any balance of tax due must be paid with your return. If combined separate filing is elected, the combined net balance due must be paid with your return. Make your **check** or **money order** payable to the "D.C. Treasurer." Do not send **cash**. Write your social security number on your remittance.

Penalties and Interest

The penalty for failure to file a return on time is 5 percent of the balance due (combined net balance due, if combined separate filing is elected) for each month or fraction thereof that such failure continues, but not more than 25 percent in the aggregate.

Interest at the rate of one and one-fourth percent per month or portion of a month must be paid on any tax which remains unpaid after the due date of the return. Interest is computed from the due date of the return to the date of payment and applies even though an extension of time may have been granted in which to file the return.

Notice of Charge for Dishonored Checks

A penalty of \$15.00 will be imposed if a check in payment of any obligation due the District of Columbia is not honored by your bank.

Declaration of Estimated Tax for 1983

A Declaration of Estimated Tax is required when an individual anticipates gross income not subject to withholding tax that will result in a tax liability of more than \$100.

Joint or Separate Returns

It is generally advantageous for married couples to file separate returns if each has gross income in excess of \$1,250. They may file separate returns on one Form D-40.

Joint returns must include all income of both spouses. The names and social security numbers of both spouses must be entered in the heading of the return. Both spouses must sign the return.

Separate returns should include only the income of the filing spouse. If combined separate filing is elected: (1) the husband must report his income in column A and the wife must report her income in B; (2) the names of both spouses must be entered in the heading of the return; and (3) both spouses must sign the return. Do not claim an exemption for the other spouse if he (she) is filing a separate or combined separate return.

Change of Address — If you move during 1983 after filing your 1982 District income tax return, notify the Department of Finance and Revenue of your new home address. This notification should be in writing and should contain the following information:

1. Name(s) under which the return is filed;
2. Address shown on return;
3. Your new address; and
4. Your social security number and, if applicable, your spouse's social security number.

Note: If you have notified your Post Office of a change of address, your refund check, if you are due a refund, will be forwarded to the new address.

Deceased Taxpayers

If a person died in 1982 or in 1983 before filing a return for 1982, the executor, administrator or surviving spouse must file a return for the decedent. An executor or administrator may elect to file a joint return with the surviving spouse. If an executor or administrator has not been appointed, the surviving spouse may file a joint return and indicate on the return in the designated area the date of death. It is not necessary to prorate the personal exemption or Zero Bracket Amount of the deceased taxpayer, if he (she) died during 1982. If a refund is due, attach Form FR-147. To request a Form FR-147, see page 3 of instructions on How to Obtain Forms.

Whole-Dollar Accounting

You may round off cents to the nearest whole dollar on your return and schedules. If you elect to round off, do so for all amounts. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar.

Attachments to the Return

Fill in applicable items of income, adjustments, tax computation and deductions on the official return form and schedules. If you need more space, attach statements that follow the format of the official forms. Enter the totals shown on the supporting statements on the appropriate lines of the official forms. Be sure to put your name and social security number of any attachments.

Check These Items Before Mailing Your Return

SPECIFIC INSTRUCTIONS

Report the husband's income, deductions and exemptions in column A and the wife's in column B if you elect to file combined separate returns.

Instructions for Page 1, Form D-40

Lines A thru E — Filing Status and Exemptions

Place an "X" in the block which designates your filing status. Married persons not living together must file as single persons. Head of Household status may be claimed if you are eligible for such status on your Federal return. You must allocate the exemptions for taxpayer and spouse together with the exemptions for age 65 or over or blindness to the taxpayer to whom they relate.

Indicate in the blocks beside your filing status the personal exemptions to which you are entitled. You may claim an exemption for your spouse only if all the income of the spouse is included on this return or if your spouse had no income.

If you were 65 or over, enter a '1' in the block beside your filing status. If a joint return is

filed and both husband and wife were 65 or over enter a '1' in each block under this heading. If only the husband is 65 or over enter a '1' in the block marked 'H' or if only the wife is 65 or over enter a '1' in the block marked 'W'.

If you were blind, enter a '1' in the block beside your filing status. If a joint return is filed, the figure '1' should be entered in the same manner as described above in the 65 or over instructions.

Enter in the space provided the first name and relationship of each dependent claimed on your Federal income tax return. Enter the total number claimed in the block provided beside your filing status. If combined separate filing is elected, the dependents may be split between the husband and wife as they mutually agree.

Add the numbers inserted in the various blocks and enter total in the block under Number of Exemptions. Multiply the number of exemptions to which you are entitled by \$750 and enter amount on line 9, Column A and/or B. If this is a part-year return this amount must be prorated. See instructions for line 9, page 1. It is no longer necessary to prorate the exemptions of a decedent on a final return.

If you were divorced or married during the year, your marital status on the last day of the taxable year controls.

Line 1 — Total Federal Adjusted Gross Income

This is the total adjusted gross income reported on your Federal return and shown on line 42, Part I, page 2 of Form D-40. Part-year residents must include their entire adjusted gross income on line 1 of the return. Non-resident income will be accounted for in Part II, Modifications to Federal Adjusted Gross Income.

Line 2 — Additions

Enter the total additions from line 46, Part II, page 2 of Form D-40.

Line 3 — Subtractions

Enter the total subtractions from line 55, Part II, page 2 of Form D-40.

Line 5 — Total District Income

Total District income is the amount of income after modifications to your Federal adjusted gross income. Total District income, plus or minus modifications for additions and subtractions, must equal your Total Federal adjusted gross income reported on line 1.

Line 6 — Zero Bracket Amount

Taxpayers may elect to claim a Zero Bracket Amount instead of itemizing their deductions. However, if one spouse itemizes deductions, the other must also itemize and may not claim the Zero Bracket Amount.

The Zero Bracket Amount allowed for filing status (A), (B) or (C) is \$1,000. The Zero Bracket Amount allowed for filing status (D) or (E) is \$500. Part-year residents must prorate the Zero Bracket Amount according to the number of months that they were a resident of the District.

Line 7 — Itemized Deductions

Enter the amount from line 66, Part III, page 2 of Form D-40, column A and/or B. Taxpayers should not itemize deductions if their deductions are less than the amounts allowable as Zero Bracket Amounts. If husband and wife living together file separate returns and one itemizes deductions, the other must also itemize deductions. Deductions may be split between husband and wife as they mutually agree.

Line 9 — Exemptions (and Dependents)

Enter in the appropriate columns A and/or B the correct dollar amounts by multiplying \$750 times the number of exemptions claimed. Exemptions must be prorated on a part-year return according to the number of months you were a District resident.

Line 11 — Tax

If your taxable income is less than \$50,000, enter your tax from the Tax Table. Use the Tax Rate Schedule if your taxable income is \$50,000 or more. Both the Tax Table and Tax Rate Schedule are included in this booklet.

Line 12 — Credit for Tax Paid Another State

A resident of the District may claim a credit for income tax required to be paid, and which was in fact paid, to another state, territory or possession of the United States, or political subdivision thereof on income earned or received from sources within that jurisdiction while a resident of the District. To arrive at the credit use the following procedure:

- (1) Compute your District income tax liability on all income received within and without, while a resident of the District.
- (2) To compute this credit, first find the percentage which the income subject to tax in the other jurisdiction, while a resident of the District bears to the total income received within and without while a District resident.
- (3) You may compute the maximum allowable credit by applying the formula below:

$$\frac{A}{B} \times C = D$$

(A) Is the income derived from sources and subject to tax in the other jurisdiction while you were a resident of the District. Intangible personal property owned while a District resident is considered as being located within the District; therefore, income from such prop-

erty (dividends, interest, etc.) is considered as being from within and not from without the District.

(B) Is your entire adjusted gross income from within and without, while a resident of the District.

(C) Is your District tax liability before any other credits.

(D) This is the maximum allowable credit. (This credit may not exceed your District tax liability before any other credits and cannot exceed the amount of tax paid to the other state).

Attach a copy of the tax return filed with the other jurisdiction to your District return.

Line 13 — Credit for Political Campaign Contributions

Fifty percent of campaign contributions to District of Columbia political candidates up to a maximum of \$100.00 on a joint return or \$50.00 on all others can be claimed for the offices listed below:

- Electors of the President and Vice President of the United States;
- The Mayor, members of the Council and Delegate to the House of Representatives for the District of Columbia;
- The members of the Board of Education; National committeemen and national committeewomen for the District of Columbia;
- Delegates from the District of Columbia to conventions of political parties nominating candidates for the Presidency and Vice Presidency of the United States;
- Alternates to the officials referred to above, where permitted by political party rules;
- Such members and officials of local committees of political parties as may be designated by the duly authorized local committees of such parties for election at large or by ward in the District of Columbia.

This credit is not allowable if you were claimed as a dependent on another District tax return.

Line 14 — Credit for Child and Dependent Care Expenses

You must meet all the tests and requirements for Federal tax purposes to claim this credit on your District return. (However, married persons may file combined separate returns in lieu of filing a joint return). In the case of a return filed for a full year, the credit entered on line 14 is equal to thirty percent (30%) of the credit allowed on your Federal return.

If you are not required to file a Federal return or you are filing a part-year District return, you must complete District Form D-2441 and attach it to your return. The credit shall not exceed six percent (6%) of the employment-related expenses that were incurred during the period you were a resident of the District. To request a Form D-2441,

see page 3 of instructions on How To Obtain Forms.

Line 17 — District Tax Withheld

Enter the total amount of District income tax withheld during 1982 and attach District copy of all W-2 Forms or other approved substitute withholding tax statements to your return. Photo copies of withholding tax statements will not be accepted.

Line 18 — District Estimated Tax Paid

Enter the amount of any 1982 estimated tax payments. If a joint 1982 estimated tax return was filed, the husband and wife may divide the estimated tax paid between them or either may claim the total amount paid.

Line 19 — Payments Made with Extension of Time to File

If Form FR-127 was filed to request an extension of time to file, report the amount paid with that request.

Line 20 — Property Tax Credit

Enter the amount of any property tax credit to which you are entitled from either line 9 or line 14, Schedule H. The credit may not be split between column A and B. See detailed instructions for Schedule H.

Lines 22, 23 and 24 — Balance Due or Refund

If the total of your payments and credits on line 21 is less than your net tax, line 16, enter balance due on line 22. This amount should be paid in full with your return unless combined separate filing was elected. If combined separate filing was elected, see instructions for lines 25 and 26.

If the total of your payments and credits on line 21 is more than your net tax, line 16, enter overpayment on line 23. **You must enter on line 24 the amount of overpayment you wish to have refunded to you.** The amount on line 24 will be refunded if it is \$2.00 or more unless combined separate filing was elected. If combined separate filing was elected, see instructions for lines 25 and 26. Enter on line 27 the amount of overpayment you wish credited to your 1983 estimated tax. If combined separate filing is elected and if you are filing joint 1983 estimated tax vouchers, check the box on line 27.

Lines 25 and 26 — Combined Balance Due or Refund (Filing Status (E) only)

Husband and wife who elect to file combined separate returns are the only persons who should complete these lines. The balance due or refund of one spouse must be combined with the balance due or refund of the other spouse. For Example:

- (1) If the husband has a balance due of \$50 (line 22) and the wife is due a refund of

\$100 (line 24) the amounts should be combined. In this case the result is a net refund of \$50. Therefore, the husband should not send a check for the amount shown on line 22.

- (2) If the husband has a balance due of \$80 and the wife is due a refund of \$40, the amounts should be combined. In this case the result is a net balance due of \$40, and a check or money order for \$40 should be sent with the return.
- (3) If both have a balance due on line 22, combine the amounts and enter combined net balance due on line 25. Send one check for combined amount.
- (4) If both have a refund due on line 24, combine the amounts and enter combined net refund on line 26. One refund check will be issued for the combined amount.

Instructions for Page 2, Form D-40

PART I INCOME AND ADJUSTMENTS FROM FEDERAL RETURN

Lines 28 thru 40

These lines are a summary of the items which make up your Federal income as reported on your Federal income tax return or which would have been reported had you been required to file a Federal income tax return. List on each corresponding line in column A and/or B the amount of each item included on your Federal return. Taxpayers filing combined separate returns and using columns A and B should report income as though separate Federal returns were filed.

If you carried on a business in the District and your gross receipts were \$12,000 or more for the year, you must also include such income on an Unincorporated Franchise Tax return (Form D-30), even though it is reported on line 33. (See instructions for Form D-30). To request a Form D-30 see page 3 of instructions on How To Obtain Forms.

Net Operating Losses may be deducted on your District return only to the same extent that they are deducted on your Federal return.

Line 41 — Adjustments

You may deduct items reported on your Federal return such as employee business expense, moving expenses, alimony or separate maintenance payments, disability income exclusion, and Keogh, IRA and similar individual retirement account contributions. If you claim a disability income exclusion, you must attach a copy of Federal Form 2440 to your District return.

PART II MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

In order to arrive at Total District Income, certain modifications may be needed. These should be reported in Part II.

ADDITIONS:**Line 43 — Marital Deduction**

If the Marital Deduction was taken on your Federal return as an adjustment to gross income, it must be entered here.

Line 44 — Unincorporated Business Capital Gain Differential

Enter sixty percent (60%) of your share of capital gains reported on a District Unincorporated Business Franchise Tax Return (Form D-30). Gains on sales of assets by unincorporated businesses are subject to District tax on 100% of such gains, while for Federal tax purposes the individual owner would be subjected to tax on 40% of the gain. If there is a net loss, an adjustment is not required.

Line 45 — Other Additions

Report on this line (1) the amount of adjustments that were taken on line 41, Part I, that were for the period of nonresidence for part-year filers; (2) the deduction taken for franchise taxes paid in computing business income on line 33; (3) the distributable share of net income from businesses operating as Professional Corporations since they are not taxed as such by the District; (4) other items required to be added to Federal adjusted gross income.

SUBTRACTIONS:**Line 47 — Interest on U.S. Obligations**

Enter interest and dividend income on obligations or securities of the United States, its agencies or instrumentalities, which was included on your Federal return and reported in Part I of the District return.

Line 48 — Contribution Deduction

This is a limited deduction for taxpayers who do not itemize their deductions. The amount is limited to twenty-five percent (25%) of the first \$100 of contributions paid.

Line 49 — State and Local Refunds

If you included refunds of State and Local income taxes on your Federal return and they were reported on line 31, Part I of Form D-40, they should be reported on line 49.

Line 50 — Nonresident Income

Enter income which was included on your Federal return, that was received by you while you were not a resident of the District.

Line 51 — Income Reported and Taxed on District Franchise or Fiduciary Return

If Part I, page 2 of Form D-40 includes income which was also reported and taxed on a District Franchise or Fiduciary tax return, enter such income.

Line 52 — District Lottery Winnings

District Lottery winnings are not taxable on a District return. This amount may be subtracted if it was included on your Federal

return. Note: Other types of gambling winnings are taxable on a District return.

Line 53 — Income Previously Taxed by District

If Part I includes income which was previously reported on a District Individual Income Tax Return, such previously taxed income should be entered here. For example, prior to 1982, contributions to an IRA retirement plan were subject to District taxation, but not subject to Federal taxation. Therefore, if Part I includes a distribution from that plan, such distribution should be reduced to the extent that it has already been taxed as a contribution by the District.

Line 54 — Other Subtractions

Other items required to be subtracted from Federal adjusted gross income should be entered. Wages received by shareholders of Professional Corporations should be reported here (see line 45).

PART III ITEMIZED DEDUCTIONS AND DISTRICT ADJUSTMENTS**Lines 56 thru 60**

If you itemize deductions on your Federal return, copy the amounts claimed on your Federal return on the appropriate lines of column A and/or B. Enter the totals on line 61, column A and/or B and column C. Married persons filing combined separate returns may split such deductions on column A and B as they mutually agree.

If you do not itemize deductions on your Federal return, but elect to itemize on your District return, you must complete and attach Schedule A, Form D-40 and enter such totals on Part III.

Line 62 — State and Local Income Taxes

Report State and Local Income Taxes that were included on line 57.

Line 63 — Deductions During Period of Nonresident Status.

Report those itemized deductions paid while a nonresident of the District and included on Lines 56 through 60.

Line 64 — Contribution Carryovers

Enter contribution carryovers resulting from contributions paid in any year prior to January 1, 1982 that were included on line 59.

Instructions for Schedule H (Form D-40)**Property Tax Credit**

If you qualify for the property tax credit and if you are required to file a District Individual Income Tax Return, Form D-40, attach completed Schedule H to the return. If you are not required to file a District Individual Income Tax Return and you qualify for the property tax credit, Schedule H should be completed and filed by itself.

If Schedule H is filed by itself, District law requires you to furnish your Social Security number in the space provided on Schedule H. This number will be used for proper identification of your account with the District and will be used only for tax administration purposes.

Who May Qualify

You must meet all of the following conditions to qualify for the Property Tax Credit.

1. You must own or rent the home you occupy in the District for the full twelve months of 1982.
2. Your Household Gross Income must have been \$20,000 or less during 1982.
3. If you were not 65 or over before December 31, 1982, you must not have been claimed as a dependent on anyone else's 1982 Federal, State or District income tax return.
4. The house or apartment which is your home must not be part of a Public Housing Project.
5. IF YOU ARE AGE 62 OR OLDER, BLIND, OR DISABLED, you may use Property Tax Table B only if you, together with your spouse (if married) provide 50% or more of the Household Gross Income. Persons blind or disabled do not have to meet this 50% test.

How To File

Your claim for property tax credit, Schedule H (Form D-40), must be attached to your 1982 District income tax return, Form D-40, if you are required to file a 1982 District income tax return. If you are not required to file a 1982 District income tax return, Schedule H (Form D-40), Property Tax Credit Claim, may be filed by itself. If filed by itself it should be filed by April 15, 1983. If filed with your District income tax return it should be filed by April 15, 1983. However, a reasonable extension of time may be granted. See Extension of Time for Filing in General Instructions for Form D-40.

File your Schedule H at the time you file your tax return. Filing a separate Schedule H after you have previously filed a tax return could delay your refund.
